

American Journal of ORTHODONTICS

*Official publication of The American Association of Orthodontists,
its constituent societies, and The American Board of Orthodontics*

Editors

B. F. Dewel, D.D.S., *Editor-in-Chief*
708 Church Street, Evanston, Illinois 60201

Earl E. Shepard, D.D.S., *Assistant Editor*
225 S. Meramec Avenue, St. Louis, Missouri 63105

J. A. Salzmnn, D.D.S., *Editor of Reviews and Abstracts*
25 Sutton Place South, New York, New York 10022

Constituent Society Editors

Howard H. Dukes, Sr., D.D.S., *Southwestern Society of Orthodontists*
Brotherhood Building, Kansas City, Kansas 66101

Robert S. Freeman, D.D.S., *Rocky Mountain Society of Orthodontists*
1660 South Albion Street, Denver, Colorado 80222

Marvin C. Goldstein, D.D.S., *Southern Society of Orthodontists*
1218 West Paces Ferry Road, N.W., Atlanta, Georgia 30327

James L. Jensen, D.D.S., *Midwestern Society of Orthodontists*
18708 Dixie Highway, Flossmoor, Illinois 60422

Richard C. Snyder, D.D.S., *Great Lakes Society of Orthodontists*
3242 E. Main Street, Columbus, Ohio 43213

Brainerd F. Swain, D.D.S., *Northeastern Society of Orthodontists*
28 Dehart Street, Morristown, New Jersey 07960

Wayne G. Watson, D.D.S., *Pacific Coast Society of Orthodontists*
2021 Ygnacio Valley Road, Walnut Creek, California 94598

Jerome M. Zweig, D.D.S., *Middle Atlantic Society of Orthodontists*
80 N. Gaston Avenue, Somerville, New Jersey 08876

spurt, adolescent; assessment of physical maturation and somatomedin levels during puberty (Rothenberg, Hintz, and VanCamp), 666

H

- Habits, thumb- and pacifier-sucking (Zadik, Stern, and Litner), 197
Help sought in search for missing patients, 117, 235, 356, 602
HEW Division of Dentistry issues three pamphlets on dental delivery systems, 477
sponsors ADA study of quality review systems for dental care, 113
Honors, awards, and appointments, 235, 707
In memoriam
Richard Ball, 339
William A. Bluecher, 337
Sam W. Fennell, 338
Ernest L. Johnson, 336
Cecil Neff, 339
Edgar C. Wilson, 338

- Incisor, lateral, congenitally absent, orthodontic versus restorative treatment of, 700 (Abst.)
upper, missing, management of cases with (Schwaninger and Shaye), 396
Interlandi, Sebasto, winner of Orthodontic Education and Research Foundation award, 596
Israel, orthodontics in communal settlements (kibbutzim) in (Golden), 678

J

- Japan international orthodontic congress well attended by foreign guests, 599

L

- Letters to editor, 466, 587
Long face syndrome, surgical correction of (Bell, Creekmore, and Alexander), 40
Lymphangioma, cystic, with enlarged tongue (Marshall and Rabuzzi), 685

M

- Malocclusion, Class II, Division 2, surgical orthodontics in treatment of (Dietz, Gianelly, and Booth), 309
treatment of two cases (Hitchcock), 300
- Class III; dentofacial changes produced by extraoral forward force in *Macaca irus* (Kambara), 249
prediction of abnormal growth in (Schulhof, Nakamura, and Williamson), 421
produced by oral facial sensory deprivation in rat (Pimenidis and Gianelly), 94
perception of, 701 (Abst.)
preventive, fluorides as cariostatic *add*, 585 (Editorial)
- Mandibular ramus, relationship of transverse measurements of dental arch to width of, in posteroanterior cephalogram, 695 (Abst.)
- Middle Atlantic Society of Orthodontists, 347
- Midpalatal suture, mineralization in, after orthodontic expansion (Ekström, Henrikson, and Jensen), 449
opening (Wertz and Dreskin), 367
- Midwestern Society of Orthodontists, 351
- Mineralization in the midpalatal suture after orthodontic expansion (Ekström, Henrikson, and Jensen), 449
- Molar, third, enucleation, still more on (conclusion), 466 (Letters to editor)
- Morphogenesis, craniofacial, research on control of: NIDR state-of-the-art workshop (Enlow et al.), 509
- Mouth, applied physiology of, 106, 343, (B. rev.)

N

- National Children's Dental Health Week, ADA sets February dates for, 112
- National curriculum conference sponsored by ADA, 120, 233
- News and comment, 107, 229, 345, 471, 592, 702
- Northeastern Society of Orthodontists, 230

O

- Occlusal categories, analysis of craniofacial complex in different (Lavelle), 574
- Open-bite deformity, surgical-orthodontic correction of (Epker and Fish), 278
- Oral facial sensory deprivation, Class III malocclusion produced by, in rat (Pimenidis and Gianelly), 94
hygiene; disease control in orthodontic practice (Alexander, Jacobs, and Turpin), 79
importance of, among Aztecs and treatment of halitosis, 694 (Abst.)
- Orthodontic and surgical correction of open-bite deformity (Epker and Fish), 278
case analysis, craniofacial templates for (Popovich and Thompson), 406

Orthodontic—Cont'd

- cement, evaluation of silicophosphate as (Clark, Phillips, and Norman), 190
- expansion, mineralization in midpalatal suture after (Ekström, Henrikson, and Jensen), 449
- issues, current, constituent society presidents discuss, 222, 331 (Editorials)
- patient: cooperative interprofessional responsibility, 692 (Editorial)
guide for: embraceable you, 105 (B. rev.)
- practice, disease control in (Alexander, Jacobs, and Turpin), 79
- retainers, direct-bonded, clinical experience with (Zachrisson), 440
- treatment, differential force method (Begg and Kesling), 1
facial growth before, during, and following (Cross), 68
of cases with upper incisors missing (Schwaninger and Shaye), 396
- Orthodontic Education and Research Foundation, 116
awards to Riedel and Interlandi, 596
- Orthodontics, conceptual (Sims), 431
continuing education courses in, sponsored by university dental schools, 120, 238, 359, 483, 603, 710
- direct bonding in, posttreatment evaluation (Zachrisson), 173
- in communal settlements (kibbutzim) in Israel (Golden), 678
- surgical, in treatment of Class II, Division 2 malocclusion (Dietz, Gianelly, and Booth), 309
- Osteotomy, Le Fort I; surgical correction of long face syndrome (Bell, Creekmore, and Alexander), 40

- AAO—Cont'd
 seventy-eighth annual meeting, Anaheim
 selected as site for, 104, 584
 comprehensive program nears completion, 695
 Council on Research specifies award requirements for, 108, 221, 344
 delegate allocation announced, 463
 Disneyland to serve as special attraction, 339
 requirements for attendance set, 701
 seventy-seventh annual session, exceptional attendance record set at, 220
 nine awards presented during, 434
 successful, 321
 sixty-six members serving in 1977 ADA House of Delegates, 445
- American Bar Association adopts rule on lawyer advertising in newspapers, 341
- American Board of Orthodontics elects new officers and establishes new office of executive secretary, 343
 examines 255 candidates during annual sessions in October, 704
 specifies application dates for Board candidates, 225, 345, 471, 591, 697
- American Dental Association and Academy of General Dentistry sponsor joint conference on continuing dental education, 702
- Board of Trustees issues comments on Principles of Ethics, 585
 dental profession's responsibilities to be theme of 118th annual session, 109
 Frank P. Bowyer to serve as president, 105
 House of Delegates, sixty-six AAO members serving in, 445
 inducts Bowyer as president and Chavoor as trustee, 703
 issues TV spots, films, and posters for Children's Dental Health Week, 590
 new poster series available from, 467
 Principles of Ethics, Board of Trustees issues comments on, 585
 produces ad campaign to encourage consultation on prepayment plans, 106
 to permit dual specialty practice and \$75.00 dues increase, 345
 "Update" series, new volume of orthodontic abstracts issued in, 112
- American Fund for Dental Health announces minority dental scholarships and laboratory technology student awards, 702
 grosses \$1.3 million in gifts and grants, 591
- AMERICAN JOURNAL OF ORTHODONTICS; JOURNAL 60 years ago, 41, 175, 302, 396, 498, 664
 major benefit for AAO members, 688 (Editorial)
- American Society of Dentistry for Children holds successful golden anniversary meeting, 702
- Ankyloglossia, partial congenital, radiographic and model analysis of patients manifesting, 331 (Abst.)
- Aphthae, treatment of, 216 (Abst.)
- Appliances, acrylic-reinforced and acrylic-free rapid palatal expansion, effects of, on alveolus and palatal shelves, 462 (Abst.)
 and rapid palatal expansion, effects on mid-palatal suture in *Macaca mulatta*, 461 (Abst.)
- quad-helix, orthopedic and orthodontic applications (Chaconas and de Alba), 422
- universal, early mixed-dentition Class II treatment with (Nagamoto and Yudelson), 653
- Arch, dental, growth, longitudinal study of (Foster and Lavelle), 309
 discrepancy measurements, accurate (White), 303
- Attrition, effects of, on axial inclination and angulation of teeth of Tepe Hissar as viewed with laminagraphy, 332 (Abst.)
- Auxiliaries, dental; HEW study shows increasing auxiliary-dentist ratio, 464
- B
- Begg technique, treatment results with (Levin), 239
 treatment, Class II, Division 1, maxillary control in (Hurd and Nikolai), 641
- Behavioristic approach to oral hygiene (White), 406
- Bioelectric potentials and apical resorption, stress-induced, during orthodontic treatment, 333 (Abst.)
- Biostereometric analysis of surgically corrected abnormal faces (Berkowitz and Cuzzi), 526
- Bite plate therapy in adults, experimental study, 458 (Abst.)
- Bond removal, effects of wear, acid etching, and, on human enamel (Fitzpatrick and Way), 671
- Bonding, direct, procedures, analytical comparison of unaltered and remineralized enamel after acid pretreatment and in vivo remineralization as used in, 693 (Abst.)
 indirect, of orthodontic attachments (Moin and Dogon), 261
 products, in vitro comparison of stress resistance of five, under moisture stress environment, 331 (Abst.)
- Bracket, direct bonded, technique, histologic comparison of pulpal response to varying acid etching time of tooth enamel in, 336 (Abst.)
- British Association of Orthodontists, 112
- C
- Canadian Association of Orthodontists, 225, 342, 465
- Canadian Dental Association, Michael J. Crippon to serve as president, 105

- Canines, impacted, modified technique for ligating (Ziegler), 665
- Cementum, mandibular human pulpal tissue, dentin, and, effects of continuous extrusive force of varied magnitude on, 337 (Abst.)
- Cephalograms, linear measurements in, 101 (Abst.)
- Cephalometric analysis, vertical, of human craniofacial complex (Biggerstaff et al.), 397
- measurements and predictions, on, 448 (Letters to editor)
- Cervical abrasion of tooth surfaces, survey of factors possibly associated with, 103 (Abst.)
- Chewing apparatus, principles of neurophysiology of, 217 (Abst.)
- Children's Dental Health Week, 590
- "Smile America" retained as slogan, 700
- Chin cup therapy for mandibular prognathism (Graber), 23
- Cleft lip and cleft palate or cleft lip only subjects, psychological and social effects of facial clefts on, 332 (Abst.)
